MEMORANDUM OF UNDERSTANDING

CITY OF SANTA CRUZ AND
SANTA CRUZ POLICE OFFICERS' ASSOCIATION

SECTION 1.00 - TERM

The term of this Memorandum of Understanding shall commence March 14, 2026, or when Council approves the successor MOU in open session, whichever is later, and shall expire March 23, 2029.

1.01 Commencement of Negotiations for a Successor MOU

Either party may serve upon the other party a demand to commence bargaining for a successor MOU on or before December 15, 2028. In the event either party serves its demand by December 15, 2028, the parties will commence negotiations for a successor MOU no later than January 8, 2029, unless a later date is mutually agreed upon by the parties in writing. In the event demand is served after December 15, 2028, the parties will commence bargaining on a mutually agreed upon time and date.

SECTION 2.00 - PREAMBLE

This Memorandum is entered into by the City of Santa Cruz (hereinafter referred to as the City) and the Santa Cruz Police Officers' Association (hereinafter referred to as the Association). For the purpose of this Memorandum, employee shall mean a regular status employee employed in the classifications listed in Exhibit A. Any part-time regular employees covered by this agreement will receive benefits included in the agreement on a prorated basis, given the ratio of the budgeted work schedule to full time. This Memorandum is subject to Section 3500-3510 of the Government Code of the State of California, the City of Santa Cruz Charter and Municipal Code, and the City of Santa Cruz Personnel Rules and Regulations Employee Relations Resolution (Appendix A).

The City and the Association have met and conferred in good faith and have arrived at an understanding concerning wages, hours, working conditions, and other terms of employment.

The City and the Association recognize their obligation to provide services of the highest quality and efficiency to the community.

The City and the Association affirm the principal that harmonious labor/management relations are to be promoted and furthered.

2.01 Quarterly Meetings

To encourage harmonious labor/management relations, the Chief of Police and Association representatives (in accordance with Section 11.00 (Release Time) of this memorandum) will meet no less than once every three (3) months to informally present and discuss issues

and ideas that are of potential interest to both parties. During the course of these meetings, the Chief and the Association may discuss the benefits and costs of conducting an employee satisfaction survey or other similar program designed to provide department management with information about employees' level of job satisfaction.

SECTION 3.00 - NO ABROGATION OF RIGHTS

The parties acknowledge that the City's responsibilities and rights, and management responsibilities and rights, as indicated in current Appendix A, Article 1, Section 1 of the City of Santa Cruz Personnel Rules and Regulations resolution and all applicable State or Municipal laws and rights of the City Council, are neither abrogated nor made subject to the meet and confer process by the adoption of this Memorandum.

The parties further acknowledge that the rights of employees are neither abrogated nor diminished by the adoption of this Memorandum of Understanding.

SECTION 4.00 - FULL UNDERSTANDING, MODIFICATION, WAIVER

This agreement, plus any written departmental rules or regulations, sets forth the full and entire understanding of the parties regarding the matters set forth herein and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

It is agreed and understood that each party, hereto voluntarily and unqualifiedly, waives its right to negotiate and agrees that the other party shall not be required to negotiate, with respect to any matter covered herein.

It is further agreed and understood that, except in cases of emergency, the City shall not implement any changes to any matter within scope, as defined by the Meyers, Milias, Brown Act, as amended, not covered herein without first having met and conferred with the Association. For purposes of this Agreement, emergency means any sudden and unforeseeable incident or occurrence. Changes implemented pursuant to this paragraph shall only be in effect for the duration of the emergency causing the change. No agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties hereto unless made and executed in writing by all parties hereto and, if required, approved by the City and ratified by the membership of the Association.

The waiver of any breach of any term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

SECTION 5.00 - PAST PRACTICES

The parties agree that they shall adhere to established labor relations principles in handling past practices. Specifically, in handling past practice issues within the scope of representation:

1. Past practices superseded by revised MOU language are null and void.

2. Past practices which contradict existing MOU language or written City rules shall be null and void upon reasonable notice from the City that the language will be followed.
3. Past practices within scope which are not covered by MOU language or City rules shall remain in effect through the term of the MOU unless changed through mutual agreement.

SECTION 6.00 - NO DISCRIMINATION

The Association recognizes City Council policies pertaining to equal employment opportunity, the prevention of discrimination and harassment, and respectful workplace conduct as listed in Exhibits B, C, and G, as well as applicable Federal and State discrimination laws.

SECTION 7.00 - EMPLOYEE RIGHTS

Unit employees shall have the right to form, join, and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters of employer-employee relations pertaining to wages, hours, and other terms and conditions of employment. Unit employees shall have the right to refuse to join or participate in the activities of the Association and shall have the right to represent themselves individually in their employment relations with the City. No employee shall be interfered with, intimidated, restrained, coerced, or discriminated against by the City of Santa Cruz or by any employee organization because of the exercise of these rights.

SECTION 8.00 - RECOGNITION AND PAYROLL DEDUCTION

8.01 Recognition

Pursuant to Meyers-Milias-Brown and the City's Personnel Rules and Regulations, the Association is certified as the recognized employee organization representing regular status employees listed in Exhibit A.

8.02 Payroll Deduction

The City shall deduct Association membership dues and any other mutually agreed upon payroll deductions from the monthly pay of member employees. Deductions must be authorized in writing by the employee on a form acceptable to the City and the Association. The City shall remit such amount to the Association in a timely manner.

SECTION 9.00 - ASSOCIATION RIGHTS

The City of Santa Cruz has an interest in promoting positive labor relations with the Santa Cruz Police Officers' Association (hereinafter referred to as "Association"), the exclusive representative of regular status employees listed in Exhibit A of the current Memorandum of Understanding. In furtherance of that interest, the City recognizes that communications both between the City and the Association and communications between the Association and its members are essential and may

take various forms. Due to the nature of the employment of bargaining unit members, the City and the Association recognize that it is not possible to schedule meetings at a time when all bargaining unit members may attend during their off duty time and that any meeting scheduled cannot interfere with or affect City needs, workflow, or mission. Accordingly, the parties recognize that communications involving bargaining unit members may need to take various forms. To assist in the communications process, the parties hereby mutually agree to the following as it applies to members of the Santa Cruz Police Officers' Association Bargaining Unit:

9.01 Access to City Facilities

The Union shall be allowed the use of areas normally used for meeting purposes for meetings of Association members when:

- a. Such space is available;
- b. There is no additional cost to the City (with the exception of incidental costs such as those for heat and light);
- c. It does not interfere with normal, safe, efficient or secure City operations;
- d. Employees in attendance are either not scheduled for duty or are on duty and leave the meeting promptly when duty calls; and
- e. The meeting is either for the purpose of an Association Board meeting or for a General Membership meeting, except as prohibited below.

The Association may use City facilities for purposes of conducting an Association Board meeting as reasonably necessary. Association Board meetings conducted at City facilities shall be concluded as expeditiously as reasonably possible without interfering with normal duties.

The Association may use City facilities for purposes of conducting a General Membership meeting as needed and will be reserved as any other City or Public Organization would have to do. General Membership meetings conducted at City facilities shall be reserved and concluded in the time reserved for the meeting.

The use of City equipment and/or supplies (other than items normally used in the conduct of business meetings, such as desks, chairs, blackboards and projection/sound equipment) is prohibited, even though such equipment and/or supplies may be present in the meeting area.

The Association shall maintain proper order during any meeting held at a City facility and ensure that the space is left in a clean and orderly condition. The City reserves the right to revoke permission to use City facilities for meetings if the Association fails to maintain order during a meeting or if facilities are not left in a clean and orderly condition.

9.02 Access to City Bulletin Boards

The Association shall have access to City bulletin boards located in those buildings in which bargaining unit members are assigned to work for the purpose of posting the following types of notices (these are examples only and not intended to be a complete list):

- a. Notice of recreational and social affairs sponsored by the Association;
- b. Notice of Association meetings;
- c. Notice of Association elections;
- d. Reports from Association committees;
- e. Rulings on Association policies; and
- f. Association newsletters.

All posted material must be legibly signed or initialed and dated by the Association's President or designated representative. No notice or announcement which contains defamatory statements about the City, including any City Department, any City official, or any City employee(s) shall be posted on City bulletin boards. Any violation of this section shall entitle the City to immediately cancel the provisions of this section and revoke the Association's privilege to use bulletin boards pursuant to this section. In the event non-authorized material is posted, it shall be promptly removed by the Association or its representative on notification by the Department. The City reserves the right to remove material that contains defamatory statements before providing notification to the Association; if such action is taken the City shall notify the Association as soon as possible.

9.03 Access to the City's Internal Mail System

As used in this section, "the City's internal mail system" does not include the City's e-mail system (E-mail usage is discussed in Section 9.04 below).

The Association may request that notices be delivered to bargaining unit members through the City's internal mail system. Notices which may be sent through the City's internal mail system are limited to those types of notices which may be posted on bulletin boards, as described in section 9.02. No notice or announcement which contains defamatory statements about the City, including any City Department, any City official, or any City employee(s) shall be distributed using the Department's internal mail system. The City reserves the right to refuse to allow notices to be distributed by Departmental mail that interferes with the Department's operational needs, workflow, or mission. Notices must be legibly signed or initialed and dated by the Association's President or designated representative. The Association must provide a sufficient number of copies of any notice that it requests be distributed through departmental mail.

Any mail placed in the City's internal mail system destined for deposit in the United States Postal Service system must contain sufficient postage when so placed; the City will not pay for postage.

Any violation of this section shall entitle the City to immediately cancel the provisions of this section and revoke the Association's privilege to use the City's internal mail system pursuant to this section.

9.04 Electronic Mail (E-Mail) and Computer Usage

The Association recognizes that the City's Electronic Mail (E-Mail) Use Policy and Police Department General Orders prohibit the use of the City's e-mail and computer systems for

personal use, that the City's e-mail and computer systems are to be used solely for City-related business activities, and that the City has the right to access and inspect City computers, including but not limited to viewing any messages sent or received through the City's e-mail system or any temporary or permanent files stored on the City's electronic systems and/or equipment.

The City and the Association agree that the Association may be permitted to use City e-mail for the purposes described in this section. Notices which may be sent through the City's e-mail system are limited to those types of notices which may be posted on bulletin boards, as described in section 9.02. No notice or announcement which contains defamatory statements about the City, including any City Department, any City official, or any City employee(s) shall be sent through the City's e-mail system. The City reserves the right to refuse to allow notices to be sent through the City's e-mail system that interfere with the Department's operational needs, workflow, or mission.

Any violation of this section shall entitle the City to immediately cancel the provisions of this section and revoke the Association's privilege to use the City's e-mail system pursuant to this section. It is expected that once the Association Board is aware of any such violations, they would be afforded the opportunity to rectify the situation.

SECTION 10.00 - UNION NOTIFICATION

Except in cases of bona fide emergencies, the Association shall be given seven (7) working days advance written notification of any ordinance, rule, resolution, or regulation relating to matters within the scope of representation proposed to be adopted by the City Council, or management, and shall be given the opportunity to meet with a City representative prior to its adoption.

SECTION 11.00 - RELEASE TIME

During the term of this agreement, a reasonable number of Association members – up to three (3) – shall be allowed a reasonable amount of paid release time off for meet and confer or meet and consult sessions scheduled with the City Council's designated representative, providing there is no disruption of work in the employee's division. The exact number to be released shall be determined by mutual agreement prior to the session and shall vary by the type of issue being discussed (i.e., single division affected, multiple divisions affected, etc.) The Association shall notify the Human Resources Director in advance of the meeting of the names of members who will be in attendance. Such Association members shall obtain permission through supervisory channels before leaving their work or work locations. Ground rules for negotiating successor agreements shall specify the number of Association members allowed for the meet and confer sessions with the City Council's representatives.

SECTION 12.00 - PERSONNEL ACTIONS

12.01 Personnel Files

There shall be only one personnel file which shall be maintained in the City's Human Resources Department. Employees shall have the right to review their personnel file or

authorize, in writing, review by their representative. No adverse material will be placed in an employee's personnel file without prior notice and a copy given to the employee. Employees may cause to be placed in their personnel file responses to adverse material inserted therein. This provision excludes training, supervisory, and internal affairs files.

12.02 Performance Evaluations

It is compulsory that all regular employees receive an annual written performance evaluation from their supervisor. All employees serving their twelve (12) month probationary period will be evaluated at the completion of their sixth (6th) and twelfth (12th) month of service. All regular employees will be evaluated on their merit review date.

Evaluations are intended to be a summary of the employee's performance over the course of the evaluation period. Evaluations are also to be used as a tool to motivate the employee's level of performance. To this end, the supervisor and the employee will meet and discuss work responsibilities, job standards and objectives, review progress and plan for the employee's future development prior to the evaluation being placed in the employee's personnel file.

Any additions, corrections, deletions, or changes on the original evaluation form require initialing by both the maker of the amendment and the employee to indicate that the changes have been discussed and understood. No evaluation shall be made on hearsay statements. Employees may also choose to discuss performance evaluations with the Chief of Police and/or the Human Resources Director and formally enter a response to the evaluation in their personnel file. Disputes regarding performance reviews shall not be subject to the grievance process.

12.02.01 Late Evaluations

Failure of the supervisor to present the employee with the evaluation within ninety (90) calendar days of the due date, unless an extension is mutually agreed upon in writing, shall result in a recommendation of step advancement in conjunction with Section 14.02.02 (Advancement within the Range). However, as soon as possible thereafter, the supervisor shall conduct a performance evaluation in accordance with Section 12.02 (Performance Evaluations).

12.03 Probation

12.03.01 Probationary Period

All original, promotional, and re-hire appointments shall be subject to a probationary period of twelve (12) months. Any time spent by an employee on unpaid status or paid leave shall not be counted as qualifying service toward completion of the probationary period.

12.03.02 Objective of Probationary Period

The probationary period shall be regarded as part of the selection process and shall be utilized for training the new employee on work assignments and standards, and observing and evaluating the employee's performance.

12.03.03 Rejection of Probationary Employee

During the probation period, an employee may be rejected at any time by the appointing authority without the right of appeal. Notification of rejection shall be served to the probationary employee in writing.

Any promoted employee who is rejected during the probationary period shall be reinstated to the position from which the promotion occurred; unless the rejection is due to discharge in which case no reinstatement shall occur.

12.03.04 Extension of Probation

All efforts will be made to sufficiently evaluate the probationary employee during the assigned period. An extension of the probationary period may, however, be recommended by the appointing authority when good cause exists. Such extensions shall be for a specific period of time not to exceed three (3) months. The employee shall be informed in writing of the reasons for the period of the extension at least seven (7) calendar days prior to the scheduled end of the probationary period.

SECTION 13.00 - WORK ASSIGNMENTS/SCHEDULES

13.01 Rotation/Reassignments

It is understood and agreed that employees covered by this Memorandum are expected to rotate among shifts and are subject to periodic reassignments (such as TO's, motorcycle duty, investigations). If these changes are a normal part of their work and are not disciplinary, then the reassignment is not subject to the grievance process even though employees may lose or gain eligibility for compensation (such as shift differential or other premium pays). If the reassignment is considered to be disciplinary by the Chief of Police, then the employee maintains their right to appeal as in Section 25.00 (Disciplinary Appeals Procedure). In any event, the employee will be notified as to the reason for the reassignment. The Chief of Police or their designee will announce anticipated openings for specialized assignments department-wide and fill those positions through a standardized selection process. The standardized selection process may be unique to each specialized unit but consistent for all employees being considered for assignment to that unit.

13.02 4 Day/10 Hour Plan

The normal work schedule for all employees covered by this Memorandum (except Police Trainees and new police officers during their non-uniform orientation period) will be a four-ten plan, indicating four (4), ten (10) hour workdays and three (3) consecutive days off each week. The specific assignments not subject to this rule are as follows:

1. School Resource Officers when school is in session, including summer school when it is held in the City of Santa Cruz.
2. Employees assigned to Investigations will have the option to work a 9/80 or

4/10 schedule as determined by the Chief of Police and based upon operational necessity.

3. CSO's assigned to Property.

4. Victim Advocates who will be assigned to a 9/80 schedule in lieu of the 4/10 schedule.

For employees assigned to a 9/80 schedule plan, each week's work days will be scheduled consecutively (followed by consecutive days off). For employees assigned to a 4/10 schedule plan, each week's work days will be scheduled consecutively (followed by consecutive days off). In the event of operational necessity, the Chief of Police may suspend this schedule on a temporary basis not to exceed thirty (30) days.

Shift selection within Investigations shall be determined by date of assignment into the unit, including assignments to the Gang Task Force or other specialty assignments within Investigations.

The Chief of Police may suspend this rule if they determine that there are insufficient personnel to maintain the safe day to day operations of the organization. In addition, unforeseen catastrophic events such as earthquake, civil unrest, etc., may necessitate a suspension of this rule. The Chief of Police shall notify all affected personnel and the Association thirty (30) days prior to the change or with as much notice as possible given the nature of the particular emergency.

The Association will have two (2) weeks to meet and respond to the Chief of Police and present alternative scheduling plans for their review. The Association will also have the opportunity to meet and confer with the Chief of Police over matters within the scope of representation effected by the suspension of the 4/10 schedule.

In the event the suspension of the 4/10 schedule lasts more than ninety (90) days, the Association will have the opportunity to meet with the Chief to ensure that the conditions for the suspension still exist. This review will be conducted at least quarterly until the suspension ends.

13.03 Minimum Staffing

The Chief of Police will maintain minimum staffing levels for patrol shifts in writing. The intention of maintaining written guidelines for minimum staffing is to provide guidelines and promote consistency between supervisors and managers when making decisions regarding staffing. The Chief of Police will meet and confer on impacts within the scope of bargaining as defined by the Meyers-Milias-Brown Act (MMBA) if the written minimum staffing levels are changed.

13.04 Scheduling

Employees assigned to the Operations Division will be allowed to select their shift based on seniority and as set forth by the Chief of Police. The schedule will be completed no less than thirty (30) days and no more than twelve (12) months prior to shift change.

Seniority is determined by the employee's last uninterrupted date of hire in a classification. A baseline seniority list is incorporated in this MOU and hereby attached as Exhibit F. For employees hired on the same date, seniority will be determined by the date of release from their field training program. Ties will be determined by coin toss.

Exceptions:

1. Training Officers (TO's): will select their shifts based on seniority as set forth by the Chief of Police along with the rest of patrol personnel. This selection may be overruled by the Chief, however, in favor of the requirements and continuity of the Training Program.
2. Canine Program: exempt.
3. Street Crimes Unit: exempt.
4. Downtown Unit: exempt.
5. Traffic Section: exempt. Seniority for shift selection within the unit is determined by date of assignment to the unit. If all positions are not filled, assignments will be made starting with the least senior non-probationary officer.
6. Probationary employee: exempt.
7. Exemption: through the evaluation process, disciplinary action, medical reasons, or extenuating circumstances, or as identified in Section 13.02 (4 Day/10 Hour Plan) of this Memorandum, an officer may be assigned or reassigned to a certain shift.
8. Leaves of Absence (medical, military, pregnancy disability, etc.): a reasonable expectation must exist that the officer will be able to report for full duty at the start of a new shift. In the absence of a reasonable expectation, those officers will be exempt from this scheduling procedure.
9. Restricted positions: Positions restricted to specific assignments because of funding sources or other external circumstances. If more than one restricted position is assigned to the same unit, seniority for shift selection within that unit is determined by date of assignment to the unit.

13.05 Absences/Time Off

Absences and time off will be regulated based on the practices and procedures set forth in Policy 1001 in the Santa Cruz Police Department Manual as of the date of this Memorandum. Any discrepancies between this Memorandum and the policy will be superseded by this Memorandum. The policy is attached as Exhibit E.

SECTION 14.00 - PAY RATES AND PRACTICES

14.01 Salary

- Effective the pay period that begins on March 14, 2026, or the date Council approves the successor MOU in open session, whichever is later, the salary for all bargaining unit members shall be increased by an additional four percent (4.0%).
- Effective the pay period that begins on March 13, 2027, the salary for all bargaining unit members shall be increased by an additional four percent (4.0%).
- Effective the pay period that begins on March 11, 2028, the salary for all bargaining unit members shall be increased by an additional four percent (4.0%).

14.02 Salary Steps

Each classification in the bargaining unit shall be assigned a salary range that increases by 5% between steps.

Employees with at least five (5) years of service may designate up to forty (40) hours of vacation time as cashable in the next calendar year. In order to take advantage of this option, a balance of at least forty (40) hours of vacation must be maintained after the vacation cash out.

An employee must irrevocably elect by December 1st each year to receive any of the annual leave hours they will earn in the following calendar year as cashable. The City will create an account where the employee's designated cashable accruals will be credited. This will be kept separate from the employee's annual vacation leave accrual account. The employee's election must designate the amount of their annual vacation leave earned each pay period which they wish to have credited. Starting with the first pay period of the calendar year, the cashable annual vacation leave will be credited with the designated amount of annual vacation leave each pay period until the employee's full election has been reached not to exceed forty (40) hours.

Any annual vacation leave being earned in a pay period which is not credited to the employee's cashable account will be deposited in their regular annual vacation leave account.

Elections will not carry over from one calendar year to the next calendar year. An employee who fails to elect by December 1st each year, will be deemed to have elected not to participate and they will be prohibited from receiving any vacation cash out.

All vacation hours designated as cashable must be paid out to the employee in the calendar year in which these hours are earned. An employee cannot request the pay out of any vacation hours until those hours have been earned and accrued in their account. Since no vacation pay out can carry over to the following year, the City will initiate a pay out of all hours accrued no later than the last pay date of the year unless the employee has requested those hours to be paid out pursuant to the above language.

16.04 Injury or Illness While on Vacation

An employee who becomes ill or is hospitalized while on vacation and provides a written statement from a licensed medical practitioner to this effect shall have the period of illness charged against sick leave and not vacation leave.

SECTION 17.00 - SICK LEAVE

17.01 Definition

The purpose of this article is to provide paid leave time to be used by employees in the event of their need for preventive healthcare, care of an existing health condition, as victims of domestic violence, sexual assault or stalking, and for the necessity of designated family

members for the reasons specified below in Section 17.02.01-Family Sick Leave

In the event that the City exercises its right to withhold immediate payment of industrial disability benefits, and until such time that a coverage determination is made, employees may elect to utilize accrued paid leave, including sick leave, for the interim period.

17.02 Accrual and Use

Full-time employees in paid status at least fifty percent (50%) of the pay period shall accrue sick leave at the rate of eight (8) hours per month. An employee must be in paid status for at least fifty percent (50%) of a pay period to earn their sick leave accrual.

Part-time employees shall accrue sick leave on a pro-rated basis, given the ratio of their budgeted work schedule to full-time (e.g., all employees working in a twenty (20) hour/week position shall receive four (4) hours of sick leave each month.

When accrued sick leave must be used, an employee will notify their immediate supervisor of the leave and its probable duration, if known, at least two (2) hours prior to the regular scheduled starting time. When the employee's need to use sick leave is foreseeable, the employee must provide reasonable advance notice. Sick leave shall not be granted unless such report or advance reporting has been made.

Employees shall be eligible for the sick leave advance program as specified in the Personnel Rules and Regulations rule #10.8-Sick Leave Depletion Allowance.

17.02.01 Family Sick Leave

Up to forty-eight (48) hours of accrued sick leave per fiscal year may be used when the employee's personal attendance is required to care for an immediate family member for preventive care, care of an existing health condition, or if they are a victim of domestic violence, sexual assault, or stalking. For the purposes of this provision, immediate family is defined as a spouse, child, parent, sibling, registered principal domestic partner, step-parent, grandparent, grandchild, or other close relation residing in the employee's household. This forty-eight (48) hour limitation may be extended by the Human Resources Director with good cause.

17.02.02 Bereavement Leave

An employee may utilize accrued sick leave for purposes of bereavement. A leave of absence with pay of up to forty (40) hours per incident is available to an employee in the event of a death in the employee's family which shall, for the purpose of this article, include spouse, parent, child, grandparent, sibling, parent-in-law, sibling-in-law, registered principal domestic partner, grandchild of the employee or spouse, child-in-law, grandparent-in-law, or a close relation residing in the employee's household. In rare cases when the individual has no legal relationship other than a foster or step-parent, the Human Resources Director or City Manager has the discretion to approve that leave upon application. Additional leave equivalent to one (1) scheduled work week, chargeable to accrued sick leave, may be taken by an employee who needs additional time off in connection with a death in the family

(as defined in this article).

17.02.03 Personal Business Leave

In accordance with departmental time off procedures, employees may use up to twenty-four (24) hours per fiscal year of their accrued sick leave for the purpose of personal business which shall not include recreational activities.

17.03 Limitations

The Chief of Police may require an employee to submit verification of an illness or injury from a licensed medical practitioner prior to any use of sick leave being authorized.

In cases of chronic absenteeism or medical work restrictions, the Chief of Police may have an employee examined by a City-selected physician. The City shall pay the cost of the any such medical exam.

17.04 Sick Leave Incentive Program

1. On the last payday in June each year, employees who have accumulated more than four hundred (400) hours of sick leave must choose one of the following options:
 - A. To receive a cash pay-off, or equivalent vacation hours, of all hours in excess of four hundred (400) at the rate of thirty-three percent (33%) of their current rate of pay.
 - B. To “bank” all hours in excess of four hundred (400). Banked hours may not later be converted to cash and will be used as sick leave only when all other sick leave is exhausted.
2. Employees who have an excess of four hundred (400) hours of unbanked sick leave at the time of separation from the City will receive a payoff of all hours over four hundred (400) hours at the rate of thirty-three percent (33%) of the employee rate of pay.
3. Employees who retire and are eligible for retiree health coverage, pursuant to Section 19.04-Retiree Medical Incentive of this agreement, shall also be eligible to receive the equivalent dollar credit for retiree health coverage at the rate of thirty-three percent (33%) of their current rate of pay for all unused sick leave hours. This amount will be maintained by the City for the reimbursement of retiree health coverage. (This section will not be available to employees who chose to utilize the PERS sick leave Service Credit option.)

17.05 Emergency Illness Leave

Pursuant to Side Letter Agreements dated March 2009 and August 2010, employees who were employed as of March 10, 2009 were provided one-hundred-four (104) hours

of *Emergency Illness Leave* with the following two restrictions:

1. *Emergency Illness Leave* hours could be used only when all other sick leave is exhausted, and
2. In accordance with CalPERS rules and regulations, *Emergency Illness Leave* is non-reportable compensation and cannot be converted to cash.

During the term of this MOU, restriction #1 above is rescinded and restriction #2 remains in place.

SECTION 18.00 - LEAVES OF ABSENCE

18.01 Military Duty

An employee who is a member of the National Guard or any reserve component of the armed services of the U.S. shall be granted up to thirty (30) days per year of paid leave for any active duty scheduled during the employee's regular work hours. The employee must give their supervisor forty-eight (48) hours advance notification of the need for such leave and must present a copy of the "notice" for such duty. All other military leaves shall be granted pursuant to relevant state and federal statutes.

18.02 Workers' Compensation

A non-safety employee who is unable to work due to a work-incurred illness or injury that is compensable under the California Workers' Compensation Act shall continue to receive the full amount of their salary during the first thirty (30) calendar days of such absence. City leave payments so made to the employee shall be decreased in the amount of any temporary disability payments received by the employee so that the employee shall not receive total payments in excess of their full salary.

After the first thirty (30) calendar days of such leave, an employee who is entitled to continued temporary disability payments may use accumulated sick leave or vacation to supplement such payments to an amount equal to their full salary. After depleting of any accrued paid leaves the employee shall be eligible for benefits only in the amounts prescribed by the workers' compensation laws.

Safety employees shall receive workers' compensation benefits pursuant to Section 4850 of the Labor Code.

Light duty assignments may be made in accordance with medical authorization.

18.03 Light Duty

The City recognizes the importance of providing support and encouragement to police department employees who are recovering from an injury or illness in an effort to assist in making a complete and healthy recovery. Therefore, the City agrees to temporarily provide at least two (2) light duty assignments which are less strenuous and less hazardous for police department employees who are recovering from an injury or illness, including pregnancy.

The availability of additional assignments is at the sole discretion of the Chief of Police. Priority will be given to accommodating temporary light duty requests from employees recovering from work-related injuries or illnesses. The intent of a temporary light duty assignment is to provide modified work duties which are beneficial to the employee by keeping them productively active, involved, and informed in department activities, and beneficial to the City by the employee's work contributions and involvement during the recovery period. This is not intended to deprive the employee of using accumulated sick time if they so desire. The temporary assignment will be consistent with the employee's physical abilities and department needs. The modified duties will reflect recommendations and limitations prescribed by the attending physician. Following are conditions for providing an employee with a light duty assignment:

1. That the temporary assignment may result in a change of shift but not a change in the employee's schedule as defined in Section 13.02 (4 Day/10 Hour Plan). An employee may lose shift differential pay as a result of this shift change.
2. That the duties to be performed in said temporary assignment shall be those designated by the Chief of Police provided that the duties shall be consistent with the written recommendations of the employee's physician.
3. Said employee shall not be increased or reduced in pay or benefit solely by virtue of said temporary assignment but may forfeit incentive pays if they are no longer eligible.
4. Provided that the City may verify said disability by having said employee examined by a physician of City's choosing at City's expense.
5. If an employee on temporary light duty assignment is required to remain available by radio, cell phone, or other means, during their meal break then the meal break will be paid. If an employee on temporary light duty assignment is not required to remain available as above during their meal break, then the meal break will be unpaid. Unpaid meal breaks will not exceed thirty (30) minutes.

18.04 Medical or Personal Leave

Leave of absence without pay may be granted to an employee in a case of extended illness or disability, personal emergency or other situation where such absence would not be contrary to the best interests of the City. Such unpaid leave will only be granted after an employee has depleted all appropriate paid leaves. The department head may grant a leave of absence of up to thirty (30) consecutive calendar days; additional leave may only be granted by the City Manager. No vacation, holidays, sick leave, or any other paid benefit shall be accrued or earned during such leave. All requests for unpaid leaves of absence must be made in writing and include specific begin and end dates for the leave.

Denials of unpaid leaves of absence shall be given in writing and contain the reason therefore.

18.05 Pregnancy Disability Leave

An employee may take a leave of absence of up to four (4) months in length for the purpose of pregnancy disability leave. The City may request a licensed medical practitioner's

opinion regarding any work restrictions that may exist prior to or after delivery.

Requests for pregnancy disability leave must be made in writing to the Chief of Police at least thirty (30) days in advance of the anticipated starting date. Such requests must include specific begin and end dates for the leave. Starting dates should be as accurate as possible barring any unforeseen medical issues related to the pregnancy or earlier or later birth than expected. Any requests for extension of pregnancy disability leave must be made in writing to the Chief of Police at least ten (10) calendar days prior to the scheduled end of the existing leave.

The employee may elect to use any appropriate paid leave either before or after an approved pregnancy disability leave, within the use limitations of these leave provisions. No combination of pregnancy disability leave, family leave, sick leave, or vacation may exceed one year total or seven (7) months post-partum.

Any additional post-partum leave may be approved by the City Manager or his designee after consideration of the nature of the request and the operational needs of the department.

Upon return to work, the employee shall be assigned to the same position but not necessarily to the same assignment.

18.06 Family Leave

In accordance with the Federal Family and Medical Leave Act and the California Family rights Act, the City will grant job protected unpaid family and medical leave to eligible employees for up to twelve (12) weeks, (continuous or cumulative), per twelve-month calendar year period. Effective January 1, 2016, the City will begin using a “rolling” twelve (12) month period measured backward to establish the 12-month period. Family leave may be taken for any one or more of the following reasons:

- A. The birth of a child and in order to care for such child or the placement of a child with the employee for adoption or foster care (leave for this reason must be taken within the twelve-month period following the child’s birth or placement with the employee); or
- B. In order to care for an immediate family member (spouse, domestic partner, child, or parent) of the employee if such immediate family member has a serious health condition; or

- H. Employees are required to use accrued vacation as a part of the family leave period. Use of sick leave is not required, but may be used pursuant to the applicable provisions of this Memorandum of Understanding.
- I. Pregnancy disability is not covered under this section and is covered by the California Fair Employment and Housing Act which allows up to four (4) months of leave depending on the actual disability (see Section 18.05).
- J. Employees retain “employee” status while on family care leave. The leave does not constitute a break in service for purposes of longevity, and/or seniority. Upon return to work, employee will be reinstated to an equivalent position with equivalent pay and benefits.
- K. Any request for additional leave may be made pursuant to Section 18.04.
- L. Any other conditions or interpretations of this leave shall be based upon the Federal Family and Medical Leave Act and the California Family Rights Act.

18.07 Continuation of Insurance Benefits during Unpaid Leaves of Absence

City-sponsored insurance benefits may be continued during unpaid leave of absence under the following conditions:

18.07.01 Personal Leave

The City shall continue to pay benefit premiums during a personal leave of thirty (30) calendar days or less.

For leaves of more than thirty (30) calendar days the following shall apply:

Employees may continue premium payments at their own cost, in accordance with appropriate PERS or other appropriate medical plan provisions.

18.07.02 Family Leave

Benefit premiums shall be made in accordance with the Federal Family and Medical Leave Act and the California Family Rights Act. Under the current law, the City will continue to maintain coverage under the same conditions as coverage would have been provided if the employee had been continuously employed during the leave period.

18.08 Blood Donations

An employee may be granted paid release time of up to a maximum of one (1) hour for donating blood during regularly scheduled hours of work. The length of such leave must be approved by the supervisor and is dependent upon the nature and scheduling of the work performed and the travel distance required.

18.09 Absence for Examination

An employee will be granted paid release time to participate in any part of an examination process for promotion or transfer within the City workforce that is scheduled during the employee's regular hours of work. The employee shall notify their immediate supervisor twenty-four (24) hours in advance of such an absence. In the event operational necessity as determined by the Chief of Police precludes an employee from being granted paid release time to participate in any part of an examination process, the City shall make accommodations to offer the affected employee an opportunity to complete the testing process.

SECTION 19.00 - BENEFITS

19.01 Medical Plan

The City will provide medical insurance through the California Public Employees' Retirement System (CalPERS). The City will contribute an amount to CalPERS pursuant to Government Code Section 22892 of the Public Employees Medical and Hospital Care Act (PEMHCA).

This incentive will continue as long as the employee continues PERS medical coverage through the City of Santa Cruz and until such time as the retiree is eligible for Medicare (currently age 65) or other federal or state health programs, solely on account of age. Employees shall remain eligible for the retiree medical incentive even if their service retirement is classified or reclassified as a disability retirement.

Retirees eligible for the PERS retiree incentive listed above, with more than twenty (20) years of City service, will have their medical incentive increased to 75% of the cost of

the employee-only coverage of the second highest PERS HMO plan from only among those plans available in Santa Cruz County at the time of ratification of this agreement, less the contribution listed in Section 19.03 (Retiree Medical Plan).

If there be more than one (1) vacancy in the same class, the Human Resources Director shall certify one (1) additional eligible for each additional vacancy, if there be candidates available on the eligible list.

SECTION 23.00 - EMERGENCY MEALS

Employees will be entitled to emergency meals in accordance with current practice and relevant department and City regulations.

SECTION 24.00 - GRIEVANCE PROCEDURE

24.01 Purpose

To assure prompt and fair treatment of employee grievances related to employment. Any employee covered by this Memorandum may file a grievance.

24.02 Definition

A grievance is defined as an alleged violation, misinterpretation, or misapplication of the provisions of this Memorandum, the City's Personnel Rules and Regulations, or the department's general orders.

24.03 Limitations

1. A grievant may be represented by any representative of their choosing in preparing and presenting a grievance.
2. No reprisal shall result against any employee who presents a bona fide grievance under this procedure.
3. Time limits may be extended by written mutual agreement of the parties.
4. A grievance shall be considered settled in favor of the other party, if at any step, a decision is not rendered or appealed within the specified time limit.
5. Only upon mutual written agreement between the parties may Step I of the grievance procedure be waived.

24.04 Procedures

Step I

The grievant will first attempt to resolve the grievance through informal discussions with successive levels of supervision beginning with their immediate supervisor through the chain of command exclusive of the Chief of Police. These discussions must be initiated within ten (10) workdays of when the employee knew, or reasonably should have known of the incident upon which the grievance is based. Every attempt will be made by the parties to settle the issue at this level.

Step II

If the grievance is not resolved through the informal discussions the employee may, within ten (10) workdays after the informal discussion, submit a written appeal to the Chief of Police.

The written appeal must contain in clear, factual and concise language:

1. A brief statement as to the date of the occurrence on which the grievance is based and the facts as the grievant sees them.
2. The rule, regulation, act, or law enforcement code of ethics on which the grievance is based.
3. The action the grievant believes will resolve the grievance.
4. Signature of the employee.

The Chief of Police shall have ten (10) workdays following receipt of the appeal to review the matter and prepare a written response. Copies shall go to the parties involved and the Human Resources Department.

Step III

If the grievance is not resolved, the grievant may, within ten (10) workdays following receipt of the Chief's response, appeal to the City Manager or their representative, stating in writing the basis for the appeal.

The City Manager or their representative shall set a hearing within ten (10) working days of receiving the appeal. The grievant, their representative, and other parties summoned by the City Manager or representative shall attend the hearing and present testimony or evidence concerning the grievance. The parties may bring a reasonable number of witnesses to the hearing.

The City Manager or their representative shall render a written decision to all parties directly involved within fifteen (15) working days following the hearing.

Step IV

If the grievance is not resolved to the satisfaction of the grievant at the conclusion of Step III, the grievant may appeal the decision of the City Manager to a neutral arbitrator, provided they so inform the City in writing within ten (10) working days following receipt of the City Manager's decision.

Within ten (10) working days from the date of receipt of the appeal, the parties may mutually agree on a neutral party from an independent source to serve as an arbitrator. In the event the parties fail to agree on the neutral party, they shall immediately thereafter jointly request the California State Mediation and Conciliation Service to submit to them a list of five (5) persons qualified and available to act as arbitrator.

If such a list is requested from the State Mediation and Conciliation Service, the parties within ten (10) working days of receipt of the list, shall mutually agree upon the person on the list who shall be the Arbitrator. If one (1) person is not mutually agreed upon, the parties shall within ten (10) working days after receipt of the list of names alternately strike two (2) names from such list with the last remaining name to be the person serving as Arbitrator. The party having first choice to strike a name from the list shall be determined by lot.

The Arbitrator shall have no authority to add to, detract from, alter, amend, or modify any provision of this Agreement, or impose on any party hereto a limitation or obligation not explicitly provided for in this Agreement, or to alter any wage rate or wage structure. The decision of the Arbitrator shall be rendered after the evidence and arguments are presented to them by the parties in the presence of each other and in post-hearing briefs, if necessary. The decision of the Arbitrator shall be final and binding upon the parties.

The Arbitrator is requested to expedite the decision as the parties normally expect a decision to be issued within fifteen (15) working days after the conclusion of the hearing. The Arbitrator's expenses, if any, shall be borne equally by the parties. Each party shall bear the cost of its own representation.

SECTION 25.00 - DISCIPLINARY APPEALS PROCEDURE

25.01 Definition

For the purposes of this article, disciplinary action shall mean suspension, demotion, disciplinary reduction in salary or discharge.

The appeal procedure described herein shall apply to cases of disciplinary action affecting regular employees. It shall not be applicable to probationary employees. Employees have the right to representation at any or all stages of the appeal process.

25.02 Pre-Action Procedure

Step 1

Prior to imposing disciplinary action, the supervisor shall first provide the employee a preliminary written notice of the proposed action stating the effective date and the specific grounds and particular facts upon which the action will be taken. The employee shall have access to any known written materials, reports or documents upon which the action is based. If the employee decides to exercise their right to respond to the charges (*Skelly* hearing), they shall advise the Chief of Police of their desire to exercise their rights within five (5) working days from receipt of notice. The Chief of Police and the employee (or the employee's representative) shall then schedule the *Skelly* hearing within five (5) working days of the employee's notification of their request to have a *Skelly* hearing. If the Chief of Police is personally involved in the initial investigation and notice process, the City Manager or Human Resources Director shall appoint a designee to hear the response.

The employee may request an extension of the time to respond for justifiable reasons. Failure to respond within the time specified will result in the employee's waiver or their procedural rights and final action will be taken.

Step II

Following a review of a proposed disciplinary action, the Chief of Police, within five (5) working days of receiving the employee's response, shall render a written decision and send it by registered mail or personal delivery to the employee. A copy shall also be mailed to the employee's representative. The written decision will include the effective date of the disciplinary action.

The employee has the right, within five (5) working days after receiving the decision, to file a request for appeal with the City Manager. The appeal shall be a written statement, signed by the appellant, explaining the matter appealed from, stating the action desired by the appellant, with their reasons, therefore, and stating that the pre-action procedures have been exhausted.

25.03 Post-Action Appeal

Step III

If the employee files a timely appeal, the City Manager shall, within ten (10) working days after receiving the appeal, designate a hearing officer who shall schedule a hearing not less

than ten (10) working days from the date the appeal was received.

The hearing officer may conduct such independent investigation of the matter as they deem necessary. The appellant shall be given the opportunity to answer or present evidence in opposition to the findings of this independent investigation.

The appellant shall appear personally at the scheduled hearing unless physically unable to do so. The appellant or their representative may produce relevant oral or documentary evidence at the hearing.

Within fifteen (15) working days following the hearing, the hearing officer shall render a written decision to all parties involved. The hearing officer has the authority to affirm, repeal or modify the disciplinary action.

For discipline equivalent to the severity of suspension of three (3) days or less, there shall be no appeal beyond Step III and the City Manager's decision shall be final.

Step IV

If the appeal (except as exempted above) is not resolved to the satisfaction of the appellant at the conclusion of Step III, the employee may appeal the decision of the City Manager to a neutral arbitrator, provided it so informs the City Manager in writing within ten (10) working days following receipt of the City Manager's decision.

Within ten (10) working days from the date of receipt of the appeal, the parties may mutually agree on a neutral party from an independent source to serve as an arbitrator. In the event the parties fail to agree on the neutral party, they shall immediately thereafter jointly request the California State Mediation and Conciliation Service to submit to them a list of five (5) persons qualified and available to act as arbitrator.

If such a list is requested from the State Mediation and Conciliation Service, the parties within ten (10) working days of receipt of the list, shall mutually agree upon the person on the list who shall be the arbitrator. If one (1) person is not mutually agreed upon, the parties shall within ten (10) working days after receipt of the list of names alternately strike two (2) names from such list with the last remaining name to be the person serving as arbitrator. The party having first choice to strike a name from the list shall be determined by lot.

The arbitrator shall have no authority to add to, detract from, alter, amend, or modify any provision of this agreement, or impose on any party hereto a limitation or obligation not explicitly provided for in this agreement, or to alter any wage rate or wage structure. The decision of the arbitrator shall be rendered after the evidence and arguments are presented to them by the parties in the presence of each other and in post-hearing briefs, if necessary. The decision of the arbitrator shall be final and binding upon the parties.

The arbitrator is requested to expedite the decision as the parties normally expect a decision to be issued with fifteen (15) working days after the conclusion of the hearing.

The arbitrator's expenses shall be borne equally by the parties. Except that each party shall bear the cost of its own representation.

SECTION 26.00 - WRITTEN REPRIMANDS

Written reprimands shall be placed in the employee's personnel file for a period not to exceed five (5) years, after which they will be destroyed. An employee shall have the right to prepare a written response to the reprimand and have said response placed in their personnel file. An employee may appeal the supervisor's decision to issue a written reprimand to the Chief of Police by filing a written appeal to the Chief of Police within ten (10) working days of receipt of the reprimand. The written appeal may include a request to present the appeal orally to the Chief of Police. If the Chief is not reasonably available, they will render a decision from the written appeal. An employee may request an extension of the time to respond for justifiable reasons.

The Chief of Police's decision regarding the written reprimand shall be final; unless, the reprimand originated with the Chief of Police in which case the employee shall have the right to appeal the department head's decision to the City Manager.

Bumping privileges may be exercised within the Police Department. An employee with sufficient seniority to bump an employee in a lower classification shall bump the least senior person in that classification.

For bumping purposes, seniority shall be defined as time in the affected classification added to time in a directly related higher classification.

Absences/Time Off

1001.1 PURPOSE AND SCOPE

It is the policy of this Department to set forth procedures and guidelines for time off requests, absences and injuries, and surrendering departmental equipment in cases of leaves of absence.

1001.2 PROCEDURE

1001.2.1 TIME OFF REQUESTS

The Department will strive to facilitate time off requests in a timely manner. It is necessary to balance employees' needs for time off with the mandate that the organization provide public safety services for the City of Santa Cruz. In order to do this it is required that time off requests be made sufficiently in advance so that proper consideration may be given to the needs of the employee, City and the Department.

- (a) All employees, permanent, part time, or temporary must put in writing their time requests.
- (b) Time off requests may be submitted up to one (1) year in advance of the date(s) requested.
- (c) Requests shall be for vacation, management vacation, holiday, floating holiday, compensatory time off, maternity leave, leave of absence, military leave, or family leave.
 - 1. Requests may be for any or a combination of all of the above.
- (d) Requests for forty hours or more should be made thirty days in advance of the requested time off.
 - 1. Reasons of legitimate exigency may be accepted by a supervisor in the event that thirty days notice does not occur.
- (e) Requests for more than eighty hours will require approval from the Deputy Chief of Police and should be made a minimum of sixty days in advance of the requested time off.

1001.2.2 RESPONSIBILITIES

- (a) The requesting employee is responsible for making the request in a timely manner and for knowing and requesting only that time which they have earned and may, therefore, take legally.
 - 1. It is the employee's responsibility to notify the Financial Services Unit/payroll/purchasing clerk of any changes or cancellations of a time off request that was previously submitted.
- (b) The unit/detail supervisory is responsible for evaluation staffing levels and for insuring that sufficient staffing is available if the request is approved.

1. Every effort should be made to avoid the use of overtime when granting leave.
 2. The supervisor must check the special events calendar, sergeants' calendar and the master schedule.
 3. The staffing available will be listed on the request form by the supervisor so it may be reviewed by the Team Commander.
 4. If approved, enter the information on the sergeants' calendar. If the date is for some time beyond the current four-week period, the Administrative Assistant will enter it on the appropriate four-week schedule.
 5. Sign the request form both as to approval and entry on the master schedule.
 6. The master schedule and the sergeant's calendar are the reference documents used to allocate personnel. They must be maintained in an accurate condition at all times.
- (c) The managers are responsible for reviewing the requests and insuring that sufficient staffing remains available.
1. Management will strive to provide a maximum of seven (7) day turnaround on all time off requests.
 2. An exception may occur if a request is made prior to the master schedule being established.
- (d) The Payroll/Purchasing Clerk will log all time off requests on their calendar and be able to provide information to supervisors, managers and employees when it is requested.
1. The Payroll/Purchasing Clerk will insure that approved time off is recorded onto the payroll sheet as required by City Payroll procedures. (This does not negate the employee or supervisor's responsibility to record it on the time sheet for the affected payroll period.)
 2. The time off request forms, once approved, will be maintained by the Payroll/Purchasing Clerk.

1001.2.3 ORGANIZATIONAL INTENT

- (a) It is the intent of the organization to facilitate time off requests to the extent economically and operationally feasible.
- (b) Normally, overtime will not be authorized to replace an employee so they can obtain time off.
- (c) Exceptions may be made for good cause but will require approval of the Division Commander. Items to be considered are:
1. Time of year.
 2. Special events.
 3. Negative impacts on remaining working employees.
 4. Budgetary restraints.
 5. Long term impacts on both the organization and the requesting employee.

- (d) Employees should strive to take the bulk of vacation or holiday time off during time other than mid-June through August due to the department's summer workload.
- (e) Time off requests will be considered in the order in which they are submitted. Seniority in rank will be a determining factor when time off requests are made by more than one person, submitted on the same day and requesting the same time off, or a large percentage of it.

After approval of the Division Commander, personally serve the employee with a copy of their assigned duties.
