

2025 Santa Cruz Wharf End Interim Repair Project Communications Team Update

April 13, 2026

Bents 167-171 Post Collapse

Bents 167-170 End Interim Repair

- ☑ All contractor work with the exception of installation of new asphalt has been completed.
- ☑ Installation of new asphalt is scheduled for April 13 - April 15.
- ☑ The City Public Works Streets Crew will be restriping the parking stalls and repainting the helipad landing circle at the turn around area by Stagnaro's
- ☑ The City Wharf Crew will be installing wheel stops at the parking stalls and freshening Trash Enclosure #5.
- ☑ The construction fence will be removed and a soft opening of the restored section of the Wharf from Bents 161-170 is planned for the later in the week of April 13th.
- ☑ A grand reopening ceremony of the repaired end of the Wharf will be held April 29th. Check the Wharf's social media for a list of exciting activities planned for the reopening!
