With winter coming and gas prices so high, there has never been a better opportunity to learn fun, healthy and cost savings ways to commute without a car. Join Ecology Action and METRO to discuss combining riding the bus, biking or walking for your commute. Experts will outline the tools and commuter perks available to you as a someone who works Downtown.

This lunch and learn will be offered both in-person and virtually via Zoom (must register via Zoom for either in-person or virtual). Please indicate how you plan to attend. Lunch will be provided for all in-person attendees.

The event program is from 12 to 1 p.m. with extra time to practice boarding a METRO bus!
