## Private Sanitary Sewer Maintenance and Repair Ordinance: Declaration of Exemption

By signing and submitting this form you are declaring that the property in question is exempt from the requirements of the City's Sewer Ordinance section 16.08.064. Properties may be exempt for one of the following reasons:

- **No private sewer collection system** – Each building discharges directly to a City sewer main (Sewer laterals do not converge at any point on the property)
- **New construction** – Sewer system was installed after 2010  
*Note: This will exempt you from the inspection requirement up until 20 years after the date of construction; however the regular cleaning requirement still applies.*
